#185 Flower Viewing

NOOOO!!

What's a
mystery?

The
mystery

Why-
What
are you
doing,
you
school?!

Can
climbing
around
and
sneak
stealing?!

Why
are you
stealing
the
mystery
you
person?!

That's why
I've never
wanted to
be a chef!

...and
create
the most
appropriate
dishes
for the
situation

I imagine
cheffs to be
people who
prioritize
the eater...

Don't
you love
cooking
though?

Just
that
knife
is a
bit
sharp

I guess
it's a
bit
sharp
thing-or
etc.

Just
that's
just
not
me.

A house where you live

**#188 I'm Going
Home**

I've
been
waiting
for
you
for
so
long

I've
been
waiting
for
you
for
so
long

That's
exactly
them.

What.

As long
as we
don't
let him
away,
that's
fine.

My heart
wouldn't try
to stop him,
but he'd
always keep
whispering
saying, "No
Kusaka,
I can handle
it!" so you
what was
coming to
him.

I thought
he never
got sick.

But your heart
always
beat so
much
stronger.

His heart
beat so...
he's
getting
old.

...

The angle
of his nose
might make
him look
like a
man, but
he's still
just a
boy.

But
his
heart
beats
so
strongly.

Your
strength
couldn't
stop
him, right?

His
heart
would
just
keep
going.

...but I'm worried about my dad.

I know I need to get going.

Right.

I didn't want to leave my father, so I thought about staying right by his side.

But now my dad has an enemy, and I'm thinking about it.

We need to get some work done here.

I'm not planning on leaving my father.

Even if you want to leave your father, you should first work that out.

Yeah, but...

This is just a little matter that I planned.

Am sorry!

It's not my fault!

Am sorry!

Am sorry!

Am sorry!

Am sorry!

Am sorry!

Of course I'm sorry!

You made this situation without consulting me!

...but I don't know about that...

She might come...

Assume
night
comes
since she
has the
power...

You're
both a
girl

She
said...

There
are two
different
types

...right?

If you
proceed,
they
definitely
are not

It's in
the
blue
box

You said
that you
didn't want
to be
married by
that point

She

Right...
You
didn't
say

Because
you're
a girl,
didn't
you think
that?

That's
what
she
said...

Go
away,
you're
going
to
die

If she
doesn't
you
will
lose
everything...

I guess
I'll
have
to
marry
you
instead

I thought
you might
believe me
more than
they.

It would've
been amazing
if it had
been the
same old
same old.

I believe
you
about?

A
little
more?

I'm
not
going
to
let
you
go.

I'm
not
going
to
let
you
go.

I'm
not
going
to
let
you
go.

I'm
not
going
to
let
you
go.

Well...
Intert?

Yeah...?

A future where you live

#187 Good Bye

There are plenty of people

Yeah, but
there are
restaurants
in Japan.

I don't
